

Magnetic Fuel Conditioner

Fuel Conditioner performance over 4 years at the Holiday Inn Brighton Seafront

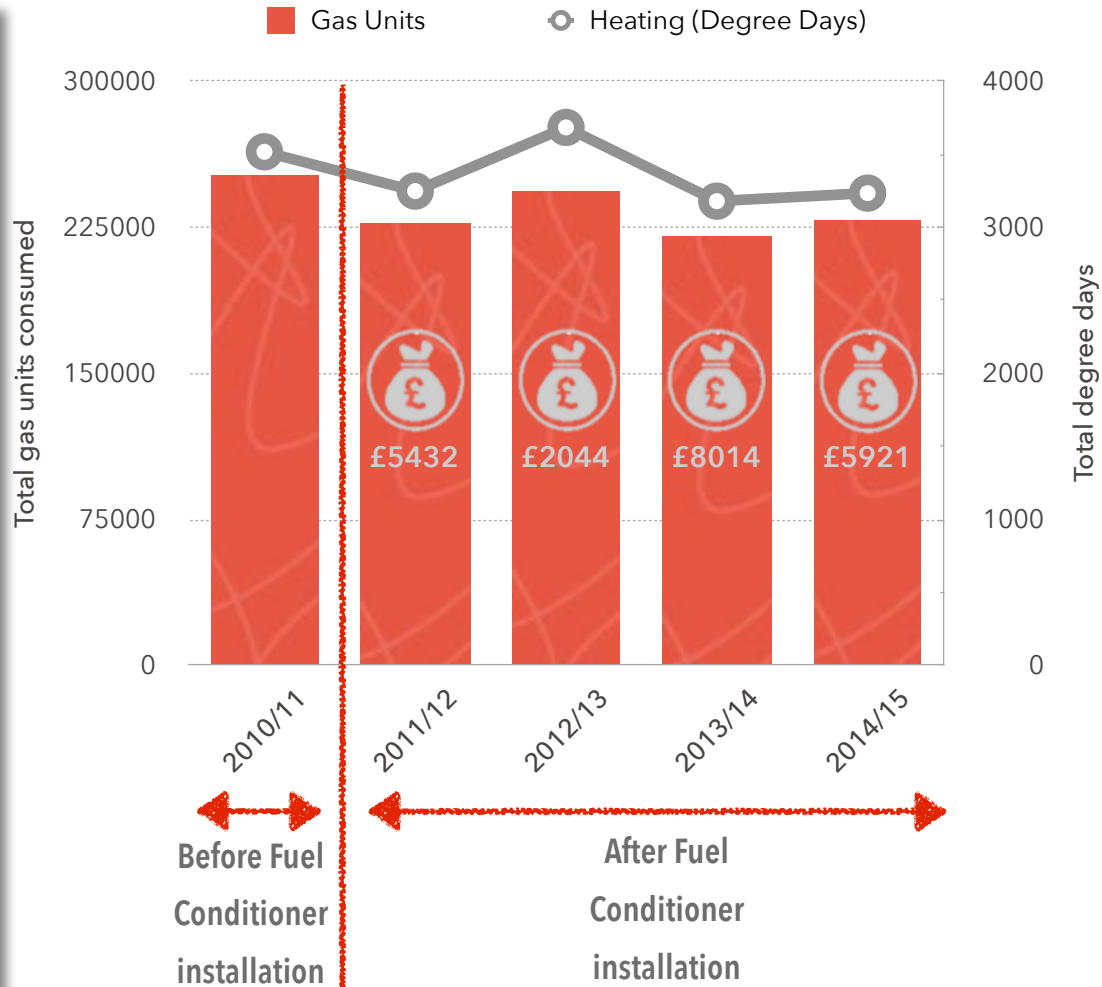

MT-C60

Multi-purpose (fuel and water etc) treatment product.

Suitable for thick-walled and large diameter pipes (up to 65mm)

Suitable for all iron, steel, plastic, rubber, copper & aluminium pipes

The MT-C products are supplied in pairs, one module being south-seeking the other, north-seeking. It is intended that a single twin-module set should be sufficient to treat the fuel. The magnets generate 4500-5000 gauss on the external contact surface of each module.
